ARTICLE 13. TRAVEL TIME AND PER DIEM

(Applies equally to both the Automotive Marine & Specialty Painters Local Number 1176 and the Northern California District Council of Laborers Local Unions)

A. Travel Time

1. Travel Time Definition

- a. Travel time shall be defined as all time required to travel from the employers' temporality or permanently established yard to the job site or between the job

sites, within the same working day, or from the job site to the Employer's temporary or permanently established yard. Loading, unloading, and other pre/post work shift activities shall be defined as part of travel time.

- b. Temporary yard shall be defined as any location that the Employer utilized for the Employee as a temporary domicile, i.e. motel and hotel, etc., for overnight work.

2. Travel Time Application

- a. All Employees traveling with the Employer's equipment from the Employer's temporary or permanent yard to the job site shall be on travel time and compensated at one and one-half (1½) times the travel time rate.
- b. All Employees traveling with the Employer's equipment in between job sites on the same working day shall be on travel time and compensated at one and one-half (1½) times the travel time rate.
- c. Only the drivers of the Employer's equipment traveling from the job site to the Employer's temporary or permanent yard will be on travel time and compensated at one and one-half (1½) times the travel time rate. All other Employees are on their own time.

3. Travel Time Rate

- a. Travel time rate shall be paid as defined on the applicable wage schedules.

4. Travel Time Exception

- a. Where practical, Employees may be instructed to report to the job site on their own time. Practical is defined as less miles from home to the job site than from home to the permanent yard.

B. Per Diem

1. Per Diem Definition

- a. Per Diem shall be compensation paid to Employees in the event that they are required to stay overnight. Effective at the date of publishing in the General Prevailing Wage Rates, the amount of said compensation shall be sixty dollars (\$60.00) for each night, or the Employer, at his option, shall provide reasonable overnight accommodations plus \$25.00 per night.

2. Per Diem Application

- a. Employees traveling wherein the distance from the Employer's permanently established yard to the job site is greater than seventy-five (75) aeronautical miles shall be subject to per diem. In this event, should the Employees be required by the Employer to stay overnight, the Employees shall receive per diem. Should the Employees be required to return to the Employer's yard in lieu of staying overnight, the Employees shall receive one-half ($\frac{1}{2}$) per diem; thirty dollars (\$30.00), in addition to any travel time the Employees may be entitled to receive.
- b. Employees traveling wherein the distance from the Employer's permanently established yard to the job site is less than seventy-five (75) aeronautical miles shall not be subject to per diem unless the Employees are required by the Employer to stay overnight. In this event, the Employees shall be entitled to per diem.

3. Per Diem Payment

- a. The amount of per diem shall be paid before leaving the Employer's yard in the event that the Employees are required to stay overnight. In lieu of prepayment, the Employer shall make pre-arrangements for adequate food and lodging for the Employees. Adequate food and lodging shall be defined as three (3) meals per day and a clean, safe, and sanitary place to sleep.

4. Per Diem Notification

- a. Reasonable notification shall be given to all Employees who will be required to remain out of town in order to perform their work.
